Innovation Harborwalk

Innovation Harborwalk

Bringing the same island vibrancy to the waterfront! Combining the logistical ease of a land-side event with beautiful views of the harbor:

- Piers Park
- Castle Island
- Charlestown Navy Yard
- Seaport/Commonwealth Pier
- Long Wharf
- Christopher Columbus Park
- ...and more!

Welcome to **Spectacle Island**

The highest point of the Harbor, Spectacle Island is ideal for outdoor adventures. Over the years, the land has served several purposes, from supporting Native Americans, to farming and industry.

- Visitor center
- Bathrooms
- Hiking trails
- Informational signage
- Small swimming beach (NO lifeguard)

Innovation Islands: How it started

In 2022, in recognition of the 25th anniversary of the Boston Harbor Islands as a national park and 50th anniversary as a state park, the Boston Harbor Islands Partnership awarded 12 local nonprofits with grants to support the development of new experiences that meet the unique needs of their community.

We've continued awarding new grantees every year since. We hope grants will empower and invest in our community partners, amplifying their impact, voices, and presence within the park.

WHO should apply?

We hope to partner with groups that may be underrepresented in island visitorship or programming. This includes but is not limited to:

- LGBTQIA2S+ communities
- Communities of color
- Deaf communities
- Environmental justice populations
- Cultural groups

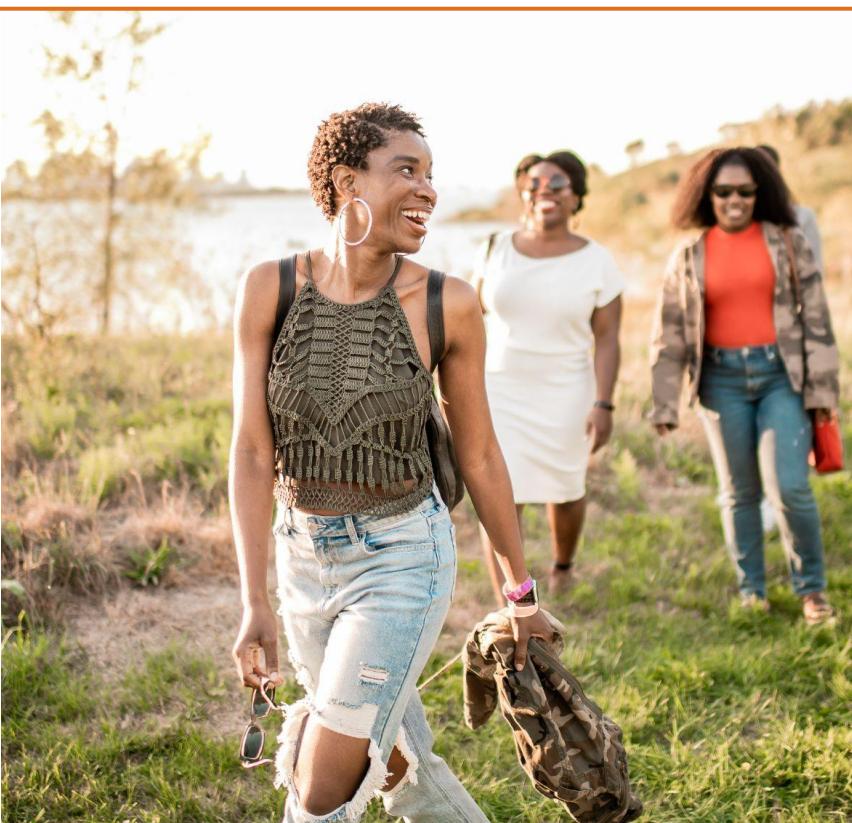

Who should apply? **Eligibility**

Local individuals, community leaders, nonprofit organizations, and small businesses are encouraged to apply!

- 501(c)3 status is **NOT** required
- Certificate of Insurance (COI) is required (costs can be included in budget)
- 3 consecutive years maximum (eligibility resets after 2 year hiatus)
- Submit application by deadline - 2/27
- Timely reporting required for future eligibility

HOW are grantees selected?

Grant proposals are reviewed scored by a panel of reviewers from multiple organizations.

A cohort is select from highest scoring proposals.

The [2026 Rubric](#) is available online so you can write the strongest proposal possible! See bostonharborislands.org/innovation-islands for more info
